13A's - Grammar 6/205 (S. Pham 2/16, A. Razmi 2/20) defeated **High 99** (L. Saunders 50 n.o, E. Zhou 14)

Grammar won the toss and sent High into bowl. We started off well until Grammar decided to go for hits. The first wicket went in the 9th over. Then Akeedh Razmi came into the attack quickly taking 2 wickets. Sidney Mayer was brought into bowl where he got 2 awesome wickets. High came into bat with one thought in their mind. Unfortunately one of the openers and first drop got out very quickly. Louis Saunders who was our other opener batted through the game achieving a total of 50 runs not out. Thank you to all of our parents for supporting the team and Mr Razmi and Mr Saunders for scoring.

13A's - St Ignatius College 9/148 (32) (F. Ayub 2/10, A. Ahmed 2/28) defeated **High 31 (28)** (S. Muruganathan 10)

Riverview won the toss and sent High to bowl. Due to excellent teamwork, High was able to get five wickets before the break. After the break, High had a sudden collapse in their fielding and bowling allowing Riverview to reach a massive total (148). Highs batting began poorly after losing our first wicket in the first over and our second in the fifth over. Wickets began to fall and then finally Riverview got us all out sparing four overs and also preventing High from reaching the large total.

13 A's - Newington 9/186 (32) (C. Zhong 3/22, S. Afsar 1/14) defeated **High 8/93 (32)** (S. Muruganathan 31, L. Saunders 19)

High's first game started off with a bang after winning the toss and electing to bowl. Newington's first wicket fell after an amazing ball by Sadin Afsar in the second over. However Newington struck back as high slightly dropped their enthusiasm to reach an unbelievable score. A special mention to Cuthbert Zhong who got three wickets in the three overs he bowled for high. We started off our batting innings with a run rate of about 3 runs an over up to half time, losing two of our opening batsmen. We started to increase our average, but after a couple of overs wickets started to fall and we were not able to keep up the run rate. The overs went by and we couldn't reach the total. Sabesh Muruganathan scored the highest score in the team (31) followed closely by Louis Saunders(19). Despite the results, it was a very good effort by the team.
