

2011/12 – 14's Results

14 A's

25th February & 3rd March 2012

14A's - High 176 (59) (K.Subbanna 37, R.Hossain 28*, T.Nimac 27, F.Morshedi 16, S.Nampalli 14) drew with **Grammar 0/7 (4)**

After winning the toss and electing to bat, High got off to a shaky start, losing their first wicket in only the 3rd over. Unfortunately Shashank was also dismissed just before drinks after he and Thomas were beginning to steady the innings. A great partnership between Thomas and Karthik which nearly lasted the whole 2nd hour placed High in a strong position. Their 65 run partnership lasted 17 overs. A mini collapse of 5/16 however saw High in major trouble and sink to 7/119 after 42. A great fight back by Raphin and the tail made sure High did not capitulate but survive another 17 overs and add a vital 57 more runs to the total. Day 2 Washed Out.

18 February 2012

14A's - High 7/171dec. (57) (K.Subbanna 52, E.Hall 51, J.Pope 40) drew with **Newington 4/162 (24)** (P.Yu 3/23 [7])

HIGH began Day Two confidently with James continuing from where he left off, taking the team total past 50. However the fall of two quick wickets saw HIGH slump to 3/56. Karthik and Eli were able to rescue the innings and produce one of the season's most memorable partnerships. The pair batted for 31 overs and compiled 106 runs. Soon after drinks, Karthik reached his maiden half century for HIGH with a 6 and was shortly joined by Eli who also hit a 50, his second for the season.

A declaration was eventually made with one and a half hours remaining in the day to bowl out Newington. HIGH full of confidence after a brilliant batting innings got off to great start with the ball as Peter claimed a caught behind dismissal in only the 3rd over of the innings. HIGH however were unable to make further inroads as the Newington batsman began to dominate. After being given a real scare from Newington's power hitting, Peter stepped up to take 2 wickets in his return over and steer HIGH to a draw.

11 February 2012

14A's - High 1/45 (15) (J.Pope 33*, E.Hall 11*) vs. **Newington**

Newington won the toss and sent High into bat. Although High began poorly, losing an early wicket, James and Eli showed great application to get the innings back on track. James in particular displayed important counter attacking batting in response to Newington's short pitched bowling. Stumps was called early due to rain. High on day 2 will be looking to set a formidable 1st innings lead whilst leaving enough time to bowl out the opposition.

3 December 2011

14A's - St Ignatius 162 (31.5) (E.Hall 4/37 [6], H.Puvanenthiran 2/14 [6], R.Hossain 2/25 [4]) defeated **High 5/107 (32)** (K.Subbanna 33, E.Hall 32, P.Yu 14, S.Nampalli 11*)

High elected to bowl on a green and muddy wicket yet for the first 16 overs, couldn't make use of it, taking only 1 wicket. But in the end the spinners did the job taking 6 wickets between them and we bowled them out. The solid opening partnership between Karthik and Thomas ended when Thomas got a cracker and was caught behind. Eli and Karthik steadied the ship and batted through most of the innings before Eli tried to hit out. A final surge meant that we scored more than 2/3 of our runs in the 2nd half.

19 November 2011

14 A's - High 47 (30) (S. Nampalli 17*) & **37 (28)** (T.Nimac 12) defeated by **Shore 5/205dec. (50)** (E.Hall 3/70 [17], J.Pope 1/38 [8], T.Nimac 1/20 [6])

12 November 2011

14 A's - High 47 (30) (S. Nampalli 17*) vs. **Shore 2/139 (34)** (T. Nimac 1/20 [6], J. Pope 1/35 [6])

High got off to a shocking start, sinking to 3/10 from 12 overs. Things just kept going down hill with Eli being run out by a fantastic direct hit. Shashank batting at 4 was the only batsman to show consistent application and was not out at the end. The fielding was not much better with dropped catches, misfields and no energy. A much stronger batting effort is required by High next week to avoid an outright innings defeat.

5 November 2011

14A's – High 3/113 (32) (E. Hall 58*, J. Pope 41) defeated by **Kings 4/114 (23)** (F. Morshedi 1/9 [3], M. Koslowski 1/14 [3], J. Pope 1/20 [3], P. Yu 1/31 [5])

High batted first and got off to a magnificent start with an opening partnership between Eli and James of over 80 runs before James was caught trying to lift the run rate. Eli hit his maiden half century for High and has now batted over 64 overs without being dismissed. After a poor start with the ball, an improved line & length bowling performance saw the Kings century making opener being dismissed for 12. Great spells from Fayed and Max kept the run rate down and at one stage restricted the opposition to 4/53. Unfortunately Kings got away from us with a strong middle order and smart running between the wickets.

29 October 2011

14A's – High 7/122 (32) (E. Hall 49*, S. Nampalli 19, L. Jepson 15, T. Nimac 10*) defeated by **St Joseph's 6/124 (28)** (M. Abeysekera 3/4 [3], P. Yu 2/22 [5], E. Hall 1/31 [5])

The 14A's had a good start but a steady flow of wickets knocked back the run rate. Eli Hall produced a fine innings (batting the full 32 overs) and was supported brilliantly by Shashank Nampalli, Liam Jepson and Thomas Nimac to rescue the score from 4/48 after drinks to 122 at the end. For the second week in a row we bowled incredibly well with great spells from Manil Abeysekera and Peter Yu, restricting St Joseph's to 5/53 after drinks. St Joseph's however managed to get away from us at the end with some good batting to reach our target with 4 overs and 4 wickets remaining.

22 October 2011

14A's – Newington 7/100 (20) (J. Pope 2/7 [4], E. Hall 2/12 [3], P. Yu 1/12 [4], M. Abeysekera 1/7 [3], H. Puvanenthiran 1/4 [1]) defeated **High 3/59 (20)** (H. Puvanenthiran 15, S. Nampalli 18*)

High won the toss and sent Newington in to bat. The team began promisingly restricting the opposition to 3/31 after 10 with tight bowling by Manil Abeysekera, James Pope, Peter Yu and Eli Hall. Newington however pounced on the slight drop in execution by High to reach a formidable total. Honourable mention to Raphin Hossain whose excellent fielding prevented boundaries on multiple occasions. Although High were unable to keep up with the required run rate, our batsmen still displayed great technique and potential.

14 B's

25 February 2012

14B's - Grammar 157 (S.Saini 4/4 [5]) defeated **High 92 (29.2)** (A.Deep 28*, K.Agrawal 11, H.Ou 10)

18 February 2012

14B's - High 17 defeated by **St Ignatius College 4/100 (16)** (K.Agrawal 1/5 [2], A.Deep 1/9 [2])

3 December 2011

14B's - High 94 (N. Rahman 30, A. Deep 16, M. Koslowski 11) defeated by **Scots 3/95 (20)** (M. Koslowski 1/13 [4], H. Ou 1/14 [3])

19 November 2011

14B's - Grammar 91 (F.Morshedi 5/5 [5.2], K.Agrawal 2/9 [4], H. Ou 2/13 [4]) defeated **High 77** (K. Agrawal 24, N. Rahman 22)

High came out all guns blazing, with some superb catching and accurate bowling which had Grammar reeling at 6/37 at the drinks break. Arrogance led to sloppiness with the ball and in the field, with the Grammar tail wagging to help post a modest total of 91. Another top order stumble saw us struggling at 3 for not many, before Nafis and Kabir steadied to put us back in the hunt. Another collapse saw us fall 14 runs shy of the target with 6 overs in hand. We need to maintain concentration throughout the whole 32 overs with both bat and ball if we really want to achieve the victories we are capable of.

12 November 2011

14 B's - High 6/89 (K. Agrawal 42*, F. Alam 19) defeated by **Shore 2/90** (F. Morshedi 1/7 [4], A. Deep 1/10 [4])

For the second successive week the top order collapsed as we found ourselves at 3/2 after 5 overs, before a steady partnership from Kabir and captain Faiyaz resurrected our innings. A sloppy effort with the ball and in the field saw Shore reach the target with ease despite some great bowling from Fayed and Amit.

5 November 2011

14B's – Kings 6/210 (32) (A. Deep 2/27 [5], S. Saini 1/20 [5], I. Mohammed 1/11 [3], K. Agrawal 1/31 [6]) defeated **High 9/61 (32)** (K. Agrawal 31*)

29 October 2011

14B's – High 84 (N. Rahman 25) defeated by **Joeys 3/85 (17)**

22 October 2011

14B's – Newington 3/138 (20) (H. Ou 1/21 [3], S. Saini 1/13 [3]) defeated **High 5/89 (20)** (N. Rahman 27, F. Alam 19)

Looking to post back-to-back wins, the 14Bs got off to a sluggish start in the field, with Newington racing to 1-97 from 12 overs, before some tight death bowling from Max Koslowski (0-12 from 3 overs) and Saransh Saini (1-13 from 3 overs) limited the opposition to a modest score of 3-138 from 20 overs. Needing 7 an over for victory, Nafis Rahman (27) and Faiyaz Alam (19) laid a great platform for the chase, putting on a 56 run opening stand, before some tight bowling got the better of our middle order. Despite the loss, the boys showed some promising signs ahead of next weeks fixture.

15 October 2011

14B's – Scots 66 (H. Ou 4/6, K. Agrawal 1/5, F. Alam 1/11) defeated by **High 3/67** (M. Abeysekera 22n.o, F. Alam 22n.o)

14 C's

18 February 2012

14C's - High 31 (B.Nguyen 7, A.Mao 6) defeated by **Riverview 2/44** (B.Nguyen 2/22 [3])

5 November 2011

14C's – High 36 defeated **Kings 27** (L. Huynh 5/7, B. Ngyuen 4/9)

High batted first, and a Kings “superstar” ripped through the team early, taking 6-0 (5 clean bowled). Yi-Chen and Brendan put together a 22 run 9th wicket stand, and saw high rebuild from 8-10, to be all out for 36. Not to be phased by the low total, Brendan (4/9) and Lachlan (5/7) teamed up, and took 9 wickets between them (all clean bowled). Captain Alex Mao dismissed the Kings No. 11, and sealed the win, with 10 runs to spare. Bizarrely, 19 of the 20 dismissals in the 14Cs game were clean bowled, which shows the effectiveness of bowling on the stumps. Congratulations to the 14Cs !

29 October 2011

14 C's – High 74 (27) (B. Ngyuen 22) defeated by **Joeys 1/75 (14)** (A. Mao 1/15)

High got off to an enthusiastic start, looking to find their first win of the season. Brendan Nguyen, opening with his solid defensive play, secured a foothold for us after losing a few wickets. A great partnership with Masrur-ul Joarder ensured that we would challenge the Joey's lineup. The bowling opened with a quick wicket, by Alex Mao, boosting the confidence of the team. Their 3rd batsman, however, played smart, getting those quick singles and punishing the bad balls. Overall, the fielding and bowling was fine, but our batting definitely needed work.

22 October 2011

14 C's – High 59 (15) (P. Yu 17) defeated by **Newington 1/60 (12)** (L. Jepson 1/16 [2])

High began strongly with Peter Yu blasting 17 to propel the score to 0/26 after 4. However a suspect bowling action, and dodgy LBW decisions which Rudi Koertzen would have been proud of, curtailed the innings. Well done to Henry Sun, Yichen Han and Raymond Hua for their fielding efforts.

15th October 2011

14 C's – Scots 3/110 (Y.Zhou 2/12, A. Wong 1/22) defeated **High 4/64** (B. Nguyen 16, A. Mao 10)
